## NOTICE OF TECHNICAL CONFERENCE ORGANIZATION

(January 31, 2002)

As announced in the Notice of Technical Conference issued on January 24, 2002, Commission staff will hold a technical conference on February 5-7, 2002, to continue the discussions begun at the public conference on January 22 and 23, 2002. This notice provides the organizational format and agenda. The sessions are designed to allow panelists identified on the attached agenda to provide further technical detail on specific aspects of electricity market operations. The conference will start each day at approximately 9:30 a.m. and will adjourn at about 5:00 p.m. It is scheduled to take place at the Commission's offices, 888 First Street, N.E., Washington, D.C. 20426, in the Commission Meeting Room on the second floor.

The conference is open for the public to attend. Time permitting, members of the audience will then be invited to participate. Members of the Commission may attend the conference and participate in the discussions. The agenda is attached.

The Capitol Connection offers all open and special Commission meetings held at the Commission's headquarters live over the Internet, as well as via telephone and satellite. For a fee, you can receive these meetings in your office, at home, or anywhere in the world. To find out more about the Capitol Connection's live Internet, phone bridge, or satellite coverage, contact David Reininger or Julia Morelli at (703) 993-3100, or visit [www.capitolconnection.gmu.edu](http://www.capitolconnection.gmu.edu). The Capitol Connection also offers FERC open meetings through its Washington, D.C.-area television service.

Additionally, live and archived audio of FERC public meetings are available for a fee via National Narrowcast Network's Hearings.com (sm) and Hearing-On-The-Line (r) services. Interested parties may listen to the conference live by phone or web. Hearings.com audio will be archived immediately for listening on demand after the event is completed. Call (202) 966-2211 for further details.

Those interested in obtaining transcripts of the conference need to contact Ace Federal

Reporters at (202) 347-3700 or (800) 336-6646. Anyone interested in purchasing videotapes of the meeting should call VISCOM at (703) 715-7999.

Other questions about the conference program should be directed to:
